

## MICRO-SITES

myMotherLode.com is the area's online media powerhouse, attracting over 550,000 visits and over 2,000,000 page views every single month. This growing regional audience of educated and affluent consumers rely on myMotherLode.com to help them make buying decisions. Micro-sites are designed to focus on a specific offer and are perfect for advertisers who don't yet have a quality website, but still want to engage the visitor with more information than a traditional display ad.
